Subject:-- Sinking a well in the compound of the Sub-Overseer's quarters at Kallandri Madura Dt.

No.

Dated May 1918. Trichinopoly.

From

F. HAWKINS Esquire, A.I.C.E.,
Superintending Engineer,
VI Circle.

MADRAS
No. 3212

To

The Chief Engineer for Irrigation,
Madras.

Sir,

I have the honour to forward herewith for your approval and sanction of Government an estimate amounting to Rs.340 for sinking a well in the compound of the Sub-Overseer's quarters at Kallandri in the 8th Reach, Periyar main canal, Madura as shown on plan M.30 A/18.

page 3 CF

The necessity for the well is explained in the report attached to the estimate.

pp 4-5 CF

Provisional data statement for calculating the rent of the building is also attached to the estimate for ________

ation.

I have the honour to be,

Sir,

Your most obedient servant,

Sd/.P.Hawkins,

19-5-18,

Superintending Engineer,

VI Circle.

Report to accompany the estimate for constructing a we
in the compound of sub overseer's quarters at Kallandry.

Amount of Estimate. ... Rs. ~~335~~ 340/-

This estimate provides for the sinking of a well in the compound of the sub overseer's quarters at Kallandry where there is no well in existence now. There is a well within the adjoining choultry but it is inaccessible when the choultry is locked. - Moreover the owner at times objects also to others taking water from it. Considerable inconvenience is therefore felt by the sub overseer especially during the closure season of the Periyar - channels. The construction of a new well is therefore now propose

J.E.I

S.I.

Submitted that in the circumstances explained in the report accompanying the estimate, administrative approval may be accorded to the estimate received with the S E's letter read above. As the proposal would increase the capital cost of the building the S.E may be asked to submit a revised data statement for calculating the rent of the building after the completion of the work. The suboverseer occupies the quarters rent free with reference to G O No 109 I d/ 12.2.13.
